ABOUT MERCY COLLEGE

Mercy College is the dynamic, diverse New York City area college whose students are on a personal mission: to get the most out of life by getting the most out of their education. Founded in 1950, Mercy offers more than 90 undergraduate and graduate degrees and certificate programs in the liberal arts and sciences, business, health sciences, and education. Mercy College challenges its faculty and staff to make higher education work for anyone, hungry enough to earn a better place in life.

CORPORATE AND HOMELAND SECURITY
SCHOOL OF BUSINESS

FOR THOSE WITH A PASSION TO GET AHEAD
THE BACHELOR OF SCIENCE
in Corporate and Homeland Security Management offers students a cutting-edge degree designed to provide comprehensive training for students interested in pursuing professional managerial careers.

This Program offers an invaluable educational experience that successfully merges business and security practices. Students will graduate with an innovative, cutting-edge business degree, one which serves as a standard of excellence within the rapidly expanding, dynamic world of corporate and government security.

WHAT YOU’LL GAIN FROM THIS PROGRAM:
Corporate and Homeland Security students take a combination of business and security courses, giving them a multidisciplinary education that will set them apart in their future careers. Our students also intern and work for some of our nation’s leading private sector firms and public sector agencies such as:

► Federal Bureau of Investigations (FBI)
► United States Secret Service (USSS)
► NBC
► NYPD – Counter Terrorism Division
► Federal Emergency Management Agency (FEMA)
► New York City Office of Emergency Management
► Westchester County Intelligence Center
► New York State Police

UNIQUE FEATURES
► Internships with our network for Fortune 500 companies and leading agencies securing the country
► Flexible course offerings in class at our Dobbs Ferry and Manhattan Campuses and available fully online
► Coursework focusing on the National Incident Management System (NIMS) — the United States’ single, comprehensive system for managing domestic incidents, both natural and human-caused, deliberate and accidental.
► A 15-credit Certificate Program is also available for working professionals.

CAREER OPPORTUNITIES
Graduates of this program can apply the knowledge in a variety of career paths such as:
► Emergency management
► Cyber security
► Threat assessment
► Executive protection
► Crisis control
