MASTER OF SCIENCE IN ORGANIZATIONAL LEADERSHIP
SCHOOL OF BUSINESS
You have the DETERMINATION, CHARISMA and DRIVE to always be moving forward and excelling in your life and career. Mercy College’s Master of Science in ORGANIZATIONAL LEADERSHIP can give you the skills to maximize these qualities and elevate your expertise to take your career to the next level.

This program prepares you to jump right into real-world working environments and tackle the ever-changing issues facing today’s workforce. You’ll work in group-based learning environments with other professionals to identify the key challenges of organizational leadership. You’ll master the techniques of collaboration and team communication, establish, facilitate and execute successful team projects and harness resources to foster continuous learning and bring competitive advantages to your organizations.

Our MBA program also offers a CONCENTRATION IN ORGANIZATIONAL LEADERSHIP. The concentration allows you to specialize and study areas of organizational leadership, while focusing on your degree in business administration.
