Dear Commuter Student,

Here at Mercy we understand that getting involved on campus can be quite challenging when you have to commute every day. We also recognize that you spend most hours of your day off campus. In order to make sure that YOU are receiving the best possible collegiate experience, we do our best to plan and offer programs that are especially designed to fit your schedule and needs, regardless of the campus you attend. We have events tailored specifically for commuter students, such as our Commuter Lunches, Gas & Metro Card Hunts. Commuter students are also invited to participate in all the other student life events and activities that are going on.

THE OFFICE OF STUDENT LIFE ALSO OFFERS CO-CURRICULAR OPPORTUNITIES:

- Community Service
- Intramurals
- Join a club/student organization
- Leadership (Student Government Association, Freshman Leadership Council, etc.)

Check your email and the activities calendar for what’s happening on your campus so you can plan accordingly. For additional information or ways to get connected, please do not hesitate to contact the Office of Student Life at 914.674.7543 or studentlife@mercy.edu.

Sincerely,

Felipe Henao,
Director of Student Life

YORKTOWN CAMPUS

COMMUTER STUDENT PROGRAMS & RESOURCES
Commuters are a big part of what makes Mercy College special. You are the unstoppable students who don't let their many off-campus priorities get in the way of their education. So, as you get ready for your first day of classes, let us show you the ins and outs of student life when you're coming to campus every day:

- Our campuses and our curriculum are all engineered for commuter students to get the most out of their experience
- Many online courses are available to help you learn on your time with flexible scheduling
- Getting to campus is usually a breeze with easy access to local highways and mass transit

But we don't want your commuter status to define your college experience. You can catch our spirit and contribute to our culture even though you live off-campus by becoming active in our student organizations and clubs. In fact, we encourage all our students to get involved in campus life, whatever their background. Not only that, but frequent commuter-specific events like networking lunches and MetroCard hunts keep you close to our community.
