Mercy College requires that applications be submitted three months before a study abroad program begins.

Each study abroad program has a different application and payment deadline.

A fee of $50 is required for processing the Study Abroad application.

Grants and loans that students receive—including New York State TAP—during the fall and spring semesters may be used to cover Mercy tuition for study abroad.

If students plan to attend a winter or summer abroad program, loans may be the only available aid and will be deducted from the fall or spring financial aid package.

Tuition will only be covered at overseas partner universities with which Mercy College has a study abroad agreement.

Work-study aid is not available for study abroad.

As a first step towards studying abroad, make an appointment with Dr. Sheila Gersh, Director of the Center for Global Engagement, at sgersh@mercy.edu or (914) 674-7339.
