Upon receipt of a complaint regarding any violation of this Policy, if the Executive Director of Safety and Security is satisfied that there is not an imminent threat to the College community that needs to be acted upon immediately, then the College’s Concern-Assessment-Response-Evaluation (CARE) Team will convene as soon as practicable to make a determination regarding the appropriate action to take against the employee or student in light of the seriousness of the allegations.

If the CARE Team determines that a violation of the Policy has occurred, then it will refer the matter for disciplinary action to the appropriate Office (Human Resources for non-faculty employees, Provost’s Office for faculty, Student Affairs for students). Disciplinary action for violations of this Policy may include immediate removal from the campus, termination of employment in accordance with the appropriate Collective Bargaining Agreements, Faculty Handbook and other College policies and procedures for employees, and up to suspension or expulsion for students in accordance with the Student Handbook.
