

Learning Fellows Program

LEARNING FELLOWS...

are near-peers who support student success by reinforcing foundational concepts, modeling study skills strategies and building an inclusive community.

Two Opportunities to Participate:

- Learning Fellows for Lecture Recitation

A&P 1
A&P 2 (Spring Only)
Gen Bio 1
GOB Chem
Gen Chem 1

- Lab Fellows for A&P 1 Labs and Open Labs

YOU ARE ELIGIBLE TO PARTICIPATE IN LEARNING FELLOWS IF...

- You are a current undergraduate or graduate student at Mercy
- You successfully completed coursework with a grade of "B" or better
- You can commit to working a minimum of 3-4 hours per week including ongoing training
- You can attend pre-semester training

BENEFITS OF LEARNING FELLOWS INCLUDE...

- Gaining leadership skills that are marketable for graduate programs and employment after graduation from Mercy College

Eligible students are
encouraged to apply at:
