- Introduce Yourself!**
Visible to students ▾
Welcome! To begin building this learning community together, please post a personal introduction to this discussion board that includes the following: Your Name Area of Study Brief Summary of Your Background Why have you chosen to take this course? What you hope to accomplish upon completion of this course? Reply to the posts of two of your peers and be sure to: Welcome them to the course. Highlight what you found unique or exciting about their posting. Describe any similarities or differences that exist between your postings. Identify opportunities, if any, that exist for future collaboration. Using the Discussion Board Tool Below this discussion topic click the box "Type a response". Clicking in this box will open the text editor to ...
