## **OCCUPATIONAL THERAPY STATE PROFESSIONAL BOARDS**

Accreditation Council for Occupational Therapy Education (ACOTE®) accredited occupational therapy and occupational therapy assistant educational programs satisfy the states' educational requirements in all states, the District of Columbia, and Puerto Rico. Students graduating from an ACOTE® accredited occupational therapy and occupational therapy assistant educational program are eligible to take the National Board for Certification in Occupational Therapy (NBCOT) certification exam and apply for licensure in all states, the District of Columbia, and Puerto Rico. For more information regarding state qualifications and licensure requirements, please refer to the AOTA State Licensure webpage.

Students considering a program of study that leads to professional licensure in Occupational Therapy should contact the appropriate licensing agency in the state where you plan to practice <u>prior to enrollment</u> at Mercy College. Listed below you will find the Occupational Therapy professional board contact information for each respective state.
