## **How to Search and Register for Classes**

- 1. Log into Mercy Connect (connect.mercy.edu)
- 2. Select Register for Classes
- 3. Select Look Up Classes
- 4. Select a term (Remember, all undergraduate programs run on as semester schedule), then select submit
- 5. Select Advanced Search
- 6. Filter results for your preferences. Remember to select the campus you prefer to take classes on. For online classes, select Distance Learning
- 7. Select Section Search
- Select the class that works best for your schedule. Remember that R=Thursday, so if a class is listed as TR it meets on Tuesdays and Thursdays.
- 9. Check off the corresponding box on the far left-hand side
- 10. Scroll to the bottom of the search results and select Register

## Please consider the following:

- You will not be able to register for over 16 credits without authorization.
- Contact your PACT or COP advisor and they can request this on your behalf
- You will not be able to register for classes that have time conflicts with other classes.
- · You can add yourself to the waitlist of a full class

This bulletin is current as of the print date of October 25, 2021. For the most up to date class schedule, registration, payment and refund policies please check online at www.mercy.edu

Mercy College reserves the right to revise or change its academic calendar, rules, charges, fees, schedules, courses, requirements for degrees and any other regulations, policies or practices affecting students whenever considered necessary or desirable. # **Registration/Payment Procedures**

## In-person and Web registration begins on Wednesday, November 3, 2021.

- You must be in FULL compliance with the New York State Immunization Laws as well as the College's COVID-19 vaccination policy. Submit NYS required immunizations to the Office of the Registrar and COVID-19 vaccination records to the Office of Health & Wellness.
- Make and keep an appointment with your mentor or program director to go over your degree requirements and review your transcript on Mercy Connect. If you have transfer credits, pay particular attention to your transfer work, and make sure that you do not enroll in a course for which you have already received credit.
- Review available courses through Mercy Connect.
- Check prerequisites and registration restrictions for each course in which you plan to register by clicking on the CRN and then clicking on the course title. This will tell you the prerequisite.
- Make a list of the courses in which you plan to enroll using a Registration/Schedule Worksheet.
- Clear any holds that prevent registration. Your holds status is available via Mercy Connect by selecting the student tab, then selecting "view holds." If you have any questions about your holds, contact the Office of Enrollment Management at 1-888-464-6737.
- If you intend to use Financial Aid (grants and loans), you MUST file the 2020-21 Free Application for Federal Student Aid (FAFSA). The Office of Enrollment Management will give priority to those who filed by February 15, 2020. If you have not received an award notification prior to the beginning of the semester, please visit the Office of Enrollment Management at your home campus IMMEDIATELY.
- All payment arrangements must be completed by

Semester: December 29, 2021 Trimester: December 24, 2021 Quarter: February 1, 2022

For questions on your holds, call 1-888-464-6737.

**WE ARE HERE TO HELP YOU!** 

## To proceed with registration:

- Either process your registration online (see procedures below) or take your registration form, signed by an advisor, to the Office of Enrollment Management to complete your registration.
- You will be required to complete a Student
   Acknowledgement Statement and Method of Payment
   Information Form. This will be used to assist you in
   completing your payment arrangements for the fall
   term.
- If you have changed your address, submit your change of address request form at the Office of Enrollment Management at your local campus or fax it to 914-674-7516.

## After you have registered:

- · Print your schedule via Mercy Connect.
- Follow through with your payment/financial aid procedures. You may pay online via Mercy Connect. After you have registered:

## **Web Registration**

**Registration Instructions for Mercy Connect** 

Online students who live in the Tri State area must follow the New York State Immunization Law. You can upload your proof of immunization to the Office of the Registrar at https://mercy.formstack.com/forms/immunization\_file\_upload.

- After logging into Mercy Connect select the Administrative Services tab at the top of the page. (If you have trouble logging into Mercy Connect, pleae contact the Helpdesk at <a href="helpdesk@mercy.edu">helpdesk@mercy.edu</a> or 914-674-7526.)
- To register for classes, choose Student and Financial Aid.
- On the Student and Financial Aid page, choose Registration to view the Registration Menu.
- You must select a term before you can access the options on the Registration Menu. Click Select Term on the Registration Menu.

- Spring 2022 Trimester (OT & PT)
- Spring 2022 Quarter (Accounting, Health Service Mgmt., Human Resources, Internet Business, MBA)
- Spring 2022 Semester for all other programs

**Highlight** the term, and click the **Submit Term** button. This will return you to the Registration Menu.

- The first time you select add or drop classes for a term you will be required to complete a Student Acknowledgement Statement and Method of Payment Information Form. This information will be used to assist you in completing your payment arrangements for the spring term.
- If you want to search for classes, click the Class
   Search button at the bottom of the page. This brings
   you to the Look Up Classes page. On this page, you
   can search for classes using specific criteria. You must
   select the subject name and any other criteria you
   wish to specify (course number, campus, etc.)
   however only the subject name is required. After
   selecting the criteria, click Class Search.
- On the **Look Up Classes** page, a listing of classes fitting the criteria you specified will appear. Class information, such as dates, days, time, campus, and seats available will appear for each class listing. If you wish to register for a class, check the box in front of the **CRN** and click **Register**. If there is a C in the box, the class is closed. If there is an X in the box it has been cancelled. If you are on hold you will not be able to check any boxes.
- If you do not have to look up classes because you already know the Course Reference Number (CRN) choose Add or Drop Classes from the Registration Menu. Then enter the CRNs in the boxes (one CRN per box). After entering the CRNs click the Submit Changes button. (If you receive an error message on the Add/Drop Classes page, check your schedule of

classes or contact your advisor.)

- To Drop a Class In the second column, 'Action' there is a window with a down arrow. Click on the arrow and a message should appear indicating 'Web Drop'. Click this and then at the bottom of the form click on 'Submit Changes'. If the message (web drop) does not appear in the window the period for dropping through the web is over and you should contact your advisor. Please see Withdrawals and Refunds.
- You can view your schedule by clicking Detail
   Schedule on the Registration Menu. To get to the
   Registration Menu, click the menu icon on the toolbar located in the top right corner of the page. If you want to print your class schedule, click the printer icon on your web browser's toolbar.

Before you logout, click on **Account Summary** from the **Student Account** menu under **Student and Financial Aid**. Make sure you have made the necessary arrangements to cover your tuition using grants, loans, payment plan, etc.

## **General Information**

## **NON-DEGREE SEEKING STUDENTS**

Non-Degree Seeking Students (Non-Matriculating) Students who wish to enroll in courses for college credit on a non-matriculating (non-degree) basis may register for those courses without making a formal application for admission to Mercy College. However, all non-matriculating students must meet with an admissions counselor to complete a non-degree form and to have the desired courses approved.

Non-matriculated students are not eligible for Federal,
State or Institutional Financial Aid. For payment options
or assistance with financial aid requirements, an
appointment with a Enrollment Management Staff
member is recommended. You are welcome to the Office
of Enrollment Management at any of our four campus
locations or may phone the Office of Admissions to
become a matriculated student at 877-MERCY-GO.

## **FINANCIAL ASSISTANCE**

The Office of Enrollment Management communicates with students both via Mercy Connect and via US Mail. Requests for required documentation and financial aid award package notifications are sent as both a targeted email message, and via US Mail. To expedite processes, students are encouraged to login to Mercy Connect weekly to check for these messages. Directions for using Mercy Connect are available in the Mercy Connect Section of this bulletin. Additionally, you are welcome to visit one of our campus Office of Enrollment Management if you need personalized assistance. Finally, you may also contact us by telephone:

Account or Financial Aid status	877-MERCY-GO

## WITHDRAWALS AND REFUNDS

Students wishing to withdraw from courses for which they have registered MUST file an official withdrawal. Ceasing to attend classes does not constitute an official withdrawal. If you do not officially withdraw it will result in the issuance of a grade of "FW" which will be calculated into the student's GPA as an "F" and may result in dismissal. In addition this status will be reported to the Office of Enrollment Management and may result in a reevaluation and possibly a reduction of financial aid funds. Notification to the instructor or to any other office does not constitute an official withdrawal. An official withdrawal may be processed in person at any Enrollment Management Office, or via Mercy Connect.

Withdrawal from class(es) does not necessarily entitle a student to a refund of tuition and fees paid, or to a reversal of tuition charged. Refunds will be made in accordance with the refund schedule. The date of withdrawal will be the date the official withdrawal form is entered into the computer, not the last date of class attendance. Students who receive financial aid should contact a Enrollment Management counselor.

# REFUND SCHEDULE WITH OFFICIAL WITHDRAWAL

(Dates indicate the last day on which the official withdrawal may be processed)

## **GRADUATE PROGRAMS**

	100%	80%	50%	0%
TERM A	Jan 25	Feb 01	Feb 08	Feb 09
TERM B	Jan 25	Feb 01		Feb 02

Students that withdraw during any part of the refund period and have deferred payment via third party (whether financial aid, employer, etc) arrangements will be responsible for all tuition and related fees regardless if eligibility of such arrangements for disbursement and/or payment have been established prior to withdrawal.

Credit granted for tuition charged to American Express, Discover, MasterCard or VISA will be credited to the student's Mercy College account.

Refunds will be granted only for credit that appears on the student's account. The processing of refunds from loans, financial aid award, or other third party reimbursement cannot begin prior to the time the College certifies eligibility and/or receives and posts the funds to the student's account. Refund checks are made payable to the student and mailed to the student's home address.

Refunds resulting from a Parent Plus Loan will be made payable to the parent and mail to the parent's address on record.

# PAYMENT POLICY AND PROCEDURES FOR ALL STUDENTS

To best serve your financial needs as a student at Mercy College, it is important to familiarize yourself with the College's payment policy. The following is a brief summary of those policies, for further information please refer to our web site or call 1-888-464-6737.

Acceptable payment arrangements must be made three weeks before the first day of each term. Acceptable payment arrangements include payment in full or approved financial aid and a payment plan covering the balance in full. Students who have not made satisfactory payment arrangements will incur monthly late fees, and will have registration/transcript holds placed on their accounts. Prior balances must be paid in full.

# ACCEPTABLE PAYMENT ARRANGEMENTS INCLUDE:

- Checks and credit cards (American Express, Discover, MasterCard, VISA)
- Official Scholarship Notification
- Company Reimbursement Written authorization on company letterhead, signed by a supervisor, specifying that payment will be made directly to Mercy College
- Employee Reimbursement Tuition Reimbursement Agreement must be signed
- · Approved Financial Aid grants and loans
- Payment Plan Agreements Interest-Free Monthly Payment Option Plan
- Nelnet Campus Commerce apply at: mycollegepaymentplan.com/mercycollege or 1-800-609-8056

Note: Students eligible for the maximum amount of financial aid and grants are still responsible for the difference between tuition and fee charges and full grant eligibility.

A payment plan or supplemental private loan may be required to cover the balance due.

# **Immunization Requirements**

All students enrolling for six or more credits must be in full compliance with the New York State Immunization law, and will not be permitted to register for classes without proof of one MMR and submission of a completed meningitis form. The remaining documentation must be submitted within 30 days of the start of the semester. If the documentation is not submitted, the student will not be allowed to continue attending classes and will be dropped from his/her courses without refund (full tuition liability). Students will not be permitted to register for in-person classes without proof of full-vaccination for COVID-19 (i.e. 2 weeks after their second dose in a 2-dose series, such as Pfizer or Moderna, or 2 weeks after a single dose vaccine, such as Johnson & Johnson's Janssen vaccine). For COVID-19 vaccination requirements and policies, students must refer to the College's COVID-19 Vaccination Policy online at: www.mercy.edu/media/covid-vaccine-policy-10121

There are several ways to comply with the immunization requirements:

## **MENINGOCOCCAL MENINGITIS**

The New York Public Health Law requires that colleges distribute information about Meningococcal Meningitis disease and vaccination to all students registered for six or more credits. Students are required to decide whether or not to be immunized for Meningitis and to submit a form that formally confirms their decision. The completed form can be submitted electronically to the Office of the Registrar at https://mercy.formstack.com/forms/meningitis\_form or is available on Mercy Connect on the student tab under Immunization. The form or vaccine records can additionally be emailed to Registrar@mercy.edu or faxed to 914-674-7516.

## MEASLES, MUMPS, AND RUBELLA (MMR)

The New York Public Health Law requires that all college students born after December 31, 1956 who are taking six or more credits in a semester provide a certificate documenting immunity to measles, mumps, and rubella (MMR) before their first term of study.

## Measles: Two doses are required.

1st Dose administered after the age of 12 months.

**2<sup>nd</sup> Dose** administered more than 30 days after the first dose and after the age of 15 months.

In the alternative, the student can present medical proof

of the disease or laboratory proof of immunity (student must submit a copy of the lab report).

## **Mumps: One Dose**

One dose administered after the age of 12 months or laboratory proof of immunity (student must submit a copy of the lab report).

## Rubella: One Dose

One dose administered after the age of 12 months or laboratory proof of immunity (student must submit a copy of the lab report).

The MMR combined vaccination fulfills the requirement for one dose of measles, one mumps, and one rubella immunization; **however**, a second measles vaccine, administered at least 30 days after the first dose, is required. Because the combined vaccine was not available in the United States before January 1, 1972, no MMR immunizations administered before that date are acceptable for US students.

For more information about immunization, please contact your doctor or the NYS Department of Health website at www.health.state.ny.us

## **SUBMIT IMMUNIZATION RECORDS**

To be fully compliant with both Immunization requirements, documentation must be received within 30 days of the start of the term.

- Immunization vaccine records, including for the COVID-19 vaccine can be uploaded electronically to https://mercy.edu/covid-19-student-vaccinationform or submitted on Mercy Connect on the student tab under Immunization. Vaccine records can be emailed to Registrar@mercy.edu or faxed to 914-674-7516, but for secure receipt and processing we encourage direct upload on the provided link or on Mercy Connect.
- 2. The Meningococcal Meningitis Vaccination form can be submitted electronically to the Office of the Registrar at https://mercy.formstack.com/forms/meningitis form or is available on Mercy Connect on the student tab under Immunization. The form or vaccine records can additionally be emailed to Registrar@mercy.edu or faxed to 914-674-7516, but for secure receipt and processing we encourage direct upload on the provide link or on Mercy Connect.

# **Meningococcal Information**

On July 22, 2003, Governor Pataki signed New York State Public Health Law (NYSPHL) 2167 requiring colleges and universities to distribute information about meningococcal disease and vaccination to all students meeting the enrollment criteria, whether they live on or off campus. This law became effective on August 15, 2003.

#### What is meningococcal disease?

Meningococcal disease is a severe bacterial infection of the bloodstream or meninges (a thin lining covering the brain and spinal cord) caused by the meningococcus germ.

#### Who gets meningococcal disease?

Anyone can get meningococcal disease, but it is more common in infants and children. For some adolescents, such as first year college students living in dormitories, there is an increased risk of meningococcal disease. Every year in the United States approximately 2,500 people are infected and 300 die from the disease. Other persons at increased risk include household contacts of a person known to have had this disease, immunocompromised people, and people traveling to parts of the world where meningococcal meningitis is prevalent.

## How is the meningococcus germ spread?

The meningococcus germ is spread by direct close contact with nose or throat discharges of an infected person.

#### What are the symptoms?

High fever, headache, vomiting, stiff neck and a rash are symptoms of meningococcal disease. The symptoms may appear 2 to 10 days after exposure, but usually within 5 days. Among people who develop meningococcal disease, 10-15% die, in spite of treatment with antibiotics. Of those who live, permanent brain damage, hearing loss, kidney failure, loss of arms or legs, or chronic nervous system problems can occur.

## What is the treatment for meningococcal disease?

Antibiotics, such as penicillin G or ceftriaxone, can be used to treat people with meningococcal disease.

# Should people who have been in contact with a diagnosed case of meningococcal meningitis be treated?

Only people who have been in close contact (household members, intimate contacts, health care personnel performing mouth-to-mouth resuscitation,

daycare center playmates, etc.) need to be considered for preventive treatment. Such people are usually advised to obtain a prescription for a special antibiotic (either ifampin, ciprofloxacin or ceftriaxone) from their physician. Casual contact, as might occur in a regular classroom, office or factory setting, is not usually significant enough to cause concern.

#### Is there a vaccine to prevent meningococcal meningitis?

In February 2005 the CDC recommended a new vaccine, known as Menactra<sup>™</sup> for use to prevent meningococcal disease in people 11-55 years of age.

The previously licensed version of this vaccine, Menomune<sup>™</sup> is available for children 2-10 years old and adults older than 55 years. Both vaccines are 85% to 100% effective in preventing the 4 kinds of the meningococcus germ (types A, C, Y, W-135). These 4 types cause about 70% of the disease in the United States. Because the vaccines do not include type B, which accounts for about one-third of cases in adolescents, they do not prevent all cases of meningococcal disease.

#### Is the vaccine safe? Are there adverse side effects to the vaccine?

Both vaccines are currently available and both are safe and effective vaccines. However, both vaccines may cause mild and infrequent side effects, such as redness and pain at the injection site lasting up to two days.

## Who should get the meningococcal vaccine?

The vaccine is recommended for all adolescents entering middle school (11-12 years old) and high school (15 years old), and all first year college students living in dormitories. However, the vaccine will benefit all teenagers and young adults in the United States. Also at increased risk are people with terminal complement deficiencies or asplenia, some laboratory workers and travelers to endemic areas of the world.

## What is the duration of protection from the vaccine?

Menomune™, the older vaccine, requires booster doses every 3 to 5 years.

Although research is still pending, the new vaccine, Menactra™, will probably not require booster doses.

## How do I get more information about meningococcal disease and vaccination?

Contact your physician or your student health service. Additional information is also available on the websites of the New York State Department of Health, www.health.state.ny.us; the Centers for Disease

Control and Prevention www.cdc.gov/ncidod/diseases/index.htm; and the American College Health Association, www.acha.org
