Guest Lecture	No Category	6/30/26, 11:00 AM	1 to grade

In the gradebook settings you will notice “Student Options” and “Upload and Download Gradebook”.

First, the “Student Options” allows you to control how students name display in the Grid View. Customize as needed.

Second, the “Upload and Download Gradebook” is the same feature as before. It just has moved.

Gradebook Settings

Student options

Choose how to display student details in your gradebook

Student name

☐ First name last name

☒ Last name, first name

☒ Student ID

Upload and download gradebook

[Download grades](#)

[Upload gradebook](#)

Grade Schemas

Grading schemas map percentages to letter grades or some other notation for reporting performance.

[Manage Grade Schemas](#)

Student Performance

☐ Identify students with alerts and receive activity stream notifications

If you leave the fields empty, the alerts will not show
