

Why Choose CERTiFi

CERTiFi by Mercy College is designed for learners like you. Whether you have a college degree, want to further your career without one, or are looking to advance your skills and gain credentials vital in today's workforce, CERTiFi has a program that can help you get moving.

CERTiFi offers...

- **Certificate Programs and Non-Credit Courses:** CERTiFi provides employment-ready certificate programs and non-credit courses, both in person at Mercy College campuses and online so that professional development can fit into your life.
- **Skills-Based Learning:** With CERTiFi, you'll get access to a wide range of hands-on skills to increase your competitiveness in navigating today's business climate. You'll upgrade your abilities to stand out in the marketplace.
- **Affordable Options:** CERTiFi programs are both affordable and accessible, reflecting Mercy's commitment to providing a workplace-focused education that works for everyone.

CERTiFi will help upgrade your abilities so you can stand apart in the workplace. With CERTiFi, you can take your career from here to anywhere.

Get moving. Get CERTiFied.
